

## FEAR GERMANY MAY RENEW WAR AGAINST ALLIES

### Are Not Carrying Out Terms of Armistice As Ordered

PARIS, Feb. 10.—(By the A. P.)—The supreme war council in which Marshal Foch and other military commanders sit with the council of the great powers, continued today the discussion of the terms for the renewal of the German armistice, without reaching a decision. At the same time the league of nations virtually completed the final draft of that project assuring its presentation at a plenary session the latter part of the week.

The discussion of the armistice took a wide range including the nature to execute some of the clauses of the previous armistice, the blockade and the use of enemy merchant shipping. But the main issue turned on a series of proposals of a rather drastic nature, designed to place the enemy beyond the possibility of rearming and renewing the conflict.

From the French standpoint the menace of such renewal is not past and it is urged as a matter of foresight that suitable safeguards be established. What these safeguards are has not been disclosed but it is generally understood that they include the limitation of the production of arms and heavy guns and an exact accounting of heavy guns now on hand, also some limitation of the military organization which is to be a police force.

While some of the military commanders take the view that radical measures are needed to assure the Allies, particularly France, against a possibility of renewed peril yet other views tend to place reliance on economic measures as the best means of averting any renewal of enemy activity.

Besides the discussion of the armistice terms, Mr. Klotz, the French minister of finance, presented documents of the German general staff showing a systematic plan to destroy French industry, not only as a military measure but as a means to promote German industrial interests. These documents were referred to the economic conference recently established. This discussion of the armistice terms will be continued tomorrow.

**British Opinion.**  
London, Feb. 10.—(British Wireless Service.)—A British newspaper of all shades of opinion are devoting service attention to the attitude adopted by the German government toward the armistice conditions. The Daily News' Paris correspondent sends a despatch from authoritative sources on the subject in which he says his informant told him that he had the best reason to believe that Germany is not continuing to demobilize.

"She has now concentrated more than eighteen divisions under Von Hindenburg on the western front," the correspondent quotes his informant as saying. "We also have the best reasons to believe that Germany is keeping her troops under arms on the pretext of economic necessity. Some of the military authorities claim that Germany has enough more material to give necessary armament to 3,000,000 men. German demobilization is a condition to our demobilization and therefore demobilization is impossible so long as Germany does not continue to demobilize."

"Allied military authorities consider the time has now arrived for Germany to give up her military strength—that she be brought to such a condition that she cannot resist later the conditions of peace now being prepared. The allied treaty always has been that we shall from conditions which Germany will have to accept, and that there is nothing to discuss, except as regards details. For this reason Germany is trying to keep up her military strength so that she can send a delegate to the peace congress for a thorough military discussion on the peace conditions imposed. On this point the French National Socialist party and its extreme left wing is strongly opposed to anything being done to save Germany from the consequences of defeat. In this matter the French government will be supported by the entire nation."

The correspondent says he has been informed by a competent British authority that Marshal Foch made a declaration of a somewhat serious character at a meeting of the supreme war council.

**German Forget Defeat.**  
"He feels," the authority is quoted as saying, "that the Germans are beginning to forget that they are beaten. They are apt to forget that we are in a state of war. They have been slow in handing over transport and other

## Bill Would Create Illinois Soldier Settlement Fund

(By The Associated Press)  
SPRINGFIELD, Ill., Feb. 10.—Creation of the "Illinois Soldier settlement fund" and the appropriation by the Illinois legislature of \$1,250,000 to be used in establishing returned soldiers and sailors of the state on reclaimed lands in Illinois is proposed in a bill to be introduced in the house of representatives by Representative Ralph W. Church of Chicago tomorrow.

The measure, Mr. Church explained, is for the purpose of enabling Illinois to take advantage of a federal appropriation of \$100,000,000 provided in a bill pending in congress.

Under the provisions of the bill soldiers and sailors would be permitted to settle on swamp or cut-over lands and to pay the state for it on a long term arrangement with very low interest.

Reclamation of such lands would be undertaken by the state department of public works and buildings. Figures cited by Representative Church as compiled by congress, show that there are 79,000,000 acres of swampy or wet grazing land in the United States of which 925,000 acres lie within the boundaries of Illinois.

Committee action of a large number of bills before the Illinois legislature is expected to be accelerated when house and senate meet tomorrow. The regular program will be interrupted by a joint session at 11 a. m. Wednesday when Congressman William A. Rodenburg of East St. Louis will speak at Lincoln's birthday exercises.

## REVIEWS RECENT INCIDENT IN BERLIN

PARIS, Feb. 10.—(British Wireless Service.)—The Echo de Paris today prints an account of a recent incident in Berlin which might have resulted in the withdrawal of the British prisoners' mission had an apology not been offered by Count von Brockdorff-Rantzau, the foreign minister.

According to the account, the chief of the British mission for the regulation of prisoners found it necessary to have a conversation with the foreign minister and proceeded to Wilhelmstrasse and sent a card to Count von Brockdorff-Rantzau. A secretary made his appearance and, after excusing the foreign minister said:

"However you can tell me the object of your visit, and I shall refer the matter to Secretary of State."

The British officer declined this invitation and brought the interview with the junior official to an end. Immediately afterward he informed General DuPont the French commander of what had happened. Later he drafted a telegram to Marshal Foch, requesting the entire allied mission be recalled.

This dispatch had hardly been handed in than Count Brockdorff-Rantzau sent an urgent message to General DuPont saying the foreign minister was anxious to see General DuPont in person in order to apologize for what had occurred.

## NEW METHOD OF SEARCH FOR MISSING

WASHINGTON, Feb. 10.—An unofficial channel for seeking the latest available information as to soldiers reported missing in action or otherwise lost track of has been opened by the war department through the columns of the various papers published at army hospitals. A statement issued today suggested that relatives of such men write to the "port of missing men" surgeon general's office, Washington, or to the newspaper at the nearest army hospital. The inquiries will be circulated thru "port of missing men" columns in these papers and may reach the eyes of comrades of the missing soldier, who can give some information not contained in military reports.

## MELT SILVER DOLLARS INTO BULLION

WASHINGTON, Feb. 10.—More than 125 bushels of silver dollars were shipped today from the treasury vaults to the Philadelphia mint to be melted into bullion for export to India.

The daily treasury financial statement which deals familiarly with billions and only incidentally with details like millions, announced that current assets in silver dollars had fallen \$1,118,000 since yesterday. This was one of the shipments which have taken \$205,000,000 from the vaults in recent months to be melted down and exported to the allies.

## BANDITS MAKE BIG HAUL

Detroit, Mich., Feb. 10.—Bandits late last night dynamited the vault of the Wayne Savings Bank at Wayne, near here, securing from safety deposit boxes nearly \$25,000 in cash, Liberty Bonds and other negotiable paper, according to the institution's president this afternoon. First reports placed the loss at \$200,000.

## ASSISTANT TO SECRETARY OF LABOR QUILTS

Washington, Feb. 10.—Felix Frankfurter today announced his resignation as assistant to the secretary of labor and chairman of the war labor policies board. The board will go out of existence within a few weeks since its activities have come to an end with the close of the war.

## HENEY DECLARES MAYER OFFERED HIM EMPLOYMENT

### Many Heated Arguments Between Opposing Attorneys

(By The Associated Press)  
WASHINGTON, Feb. 10.—Francis J. Heney who conducted the federal trade commission's meat packing investigation today gave the senate agriculture committee details of offers of employment which he said were made to him by Levy Mayer, counsel for Armour & Co., before and during the present hearing.

Mr. Mayer, who spent the day on the witness stand, emphatically denied that he had made the offer or any of the statements attributed to him by Mr. Heney. At the close of the day, Mr. Mayer stood up with a book in his hand and said, for the purpose of assisting the committee to determine to whom it should give credence started to make a statement which he said dealt "with Mr. Heney and the 'fixing of a jury'."

Mr. Heney immediately was on his feet and announced that if any such statement was introduced he would bring in the attorney general to prove that any such charge against him was false. At this point members of the committee interrupted to say that they regretted that the two lawyers had become involved in a dispute as much of the time of the committee which should have been given to the hearing had been consumed.

**Mayer Denies Charges.**  
Early in the day Mr. Mayer entered his first denial that he had offered business to Mr. Heney before the latter arrived at the hearing. He also read a telegram from Frank P. Walsh, who Mr. Heney said Mr. Mayer told him had been made a similar offer stating he had heard nothing of it.

Later in the afternoon after Mr. Mayer had been giving the committee his views regarding proposed legislation regulating the meat industry Mr. Heney began questioning him about the appearance and, after excusing the foreign minister said:

"I'll tell you what I said to them," said Mr. Mayer. "Chapin and Slesinger came to my office and the latter asked if I knew any San Francisco lawyers. I said 'No.' 'What is the form of the Monroe Doctrine?' asked Mr. Mayer. 'No European power shall make conquests in America. Based on what? The right of self-determination of peoples. Now the league, so far from abandoning that doctrine and that right, proposes to extend their application not only to America but everywhere. Objectors say that to enter such a league involves the abdication of sovereignty. On the contrary, it involves an assertion of sovereignty in a willing acceptance of a common law of self-restraint.'"

Other speakers at today's sessions were Dr. A. Lawrence Lowell, president of Harvard University; Dr. Arnold D. Hall of the University of Wisconsin; Dr. George Grafton Wilson, of Harvard University; Oliver Wilson, master of the National Grange; B. F. Harris, Champaign, Ill.; Edgar A. Baeocroft, Mrs. Emmons Blaine, and Edward A. Filene, director of the chamber of commerce of the United States. The closing sessions of the congress will be held tomorrow.

## BARRED FROM U. S. CITIZENSHIP

New York, Feb. 10.—Forty citizens of neutral countries who had taken out first citizenship papers in the United States were forever barred from full citizenship today by Supreme Court Justice Platt. The court's decision was based on the fact that they had been declared before draft boards that they did not intend to become citizens and hence could not be called in for military service. The names of these men will be filed with the department of labor.

## RED CROSS MAKES ADDITIONAL APPROPRIATION

Washington, Feb. 10.—The American Red Cross today announced that it had made an additional appropriation of \$250,000 for relief work in Palestine and the Near East during January and February.

## COMMEND U. S. FOOD ADMINISTRATION

CHICAGO, Feb. 10.—Resolutions for commending the United States food administration for establishing a minimum price for hogs and for "its admirable success in protecting in general the interests of the war" were adopted today at the annual meeting of the Chicago Livestock Exchange.

The resolutions stated that the action of the government in fixing a minimum price for hogs saved livestock producers \$20,000,000,000.

During the year the members of the exchange had handled for producers in the Chicago market 17,691,615 head of cattle, calves, hogs and sheep valued at \$88,469,657, which set a new record for receipts at the Chicago stock yards.

Everett C. Brown was re-elected president and S. B. Stafford was re-elected vice president.

## FIRE AT ALTON

Alton, Ill., Feb. 10.—Fire at noon today destroyed the Mercantile Manufacturing Co. plant and damaged the Eckhardt Mercantile Co. store. The total damage estimated at \$30,000. More than 500 feet of telephone cable was burned.

## Urgent Appeal House Spends Day Debating Big Navy Program

### For Americans to Support Wilsan

(By The Associated Press)  
WASHINGTON, Feb. 10.—An urgent appeal to American citizens to unite in support of President Wilson in his fight for a league of nations was made today by prominent speakers at the opening session of the Great Lakes Conference of the League to Enforce Peace.

The opinion was expressed that the proposed league should be based upon a constructive peace, justice and sound principles.

The meeting is the third of a series of nine which will be held in different sections of the United States during the next thirty days for the purpose of arousing public interest in the subject and giving organized support to the permanent peace plans of President Wilson. William H. Taft was the principal speaker at the mass meeting held this evening.

He began by describing the organization of the league in Philadelphia in 1915 and said that the league had made it possible to put into actual operation the plans of the organization much sooner than expected.

He declared that the defeat of Germany would not only bring permanent peace without a league of nations treaty and that the many questions and disputes that would grow out of enforcing this treaty would have to be interpreted by an impartial international court of some kind.

**Taft Speaks.**  
Mr. Taft described the necessary machinery as follows:

"First we will have the international court, second, the council of conciliation, third, the agreement for organizing military forces if need be, and fourth, and final, the congress of powers."

"All that this league proposes is that every nation shall enjoy complete sovereignty with the limitations of international law. 'We are the greatest power in the world and that very fact makes our agreement to contribute our share to any means of enforcing justice of the highest importance.'"

A new definition of a pacifist was given by Henry Vanduyke, former United States minister to The Netherlands, who said a pacifist was one who didn't think enough of peace to fight for it.

"What is the form of the Monroe Doctrine?" asked Mr. Vanduyke. "No European power shall make conquests in America. Based on what? The right of self-determination of peoples. Now the league, so far from abandoning that doctrine and that right, proposes to extend their application not only to America but everywhere. Objectors say that to enter such a league involves the abdication of sovereignty. On the contrary, it involves an assertion of sovereignty in a willing acceptance of a common law of self-restraint."

Other speakers at today's sessions were Dr. A. Lawrence Lowell, president of Harvard University; Dr. Arnold D. Hall of the University of Wisconsin; Dr. George Grafton Wilson, of Harvard University; Oliver Wilson, master of the National Grange; B. F. Harris, Champaign, Ill.; Edgar A. Baeocroft, Mrs. Emmons Blaine, and Edward A. Filene, director of the chamber of commerce of the United States. The closing sessions of the congress will be held tomorrow.

## House Spends Day Debating Big Navy Program

### Advocates To Renew Campaign When 66th Congress Convenes

(By The Associated Press)  
WASHINGTON, Feb. 10.—Administration leaders tomorrow will ask the aid of the house rules committee in an effort to prevent the naval expansion program from being eliminated from the annual naval appropriation bill on points of order raised today by Republican Leader Mann and sustained by Representative Garrett of Tennessee, Democrat, who was presiding.

Representative Mann contended that the authorization of ten superdreadnaughts and ten scout cruisers was legislation which could not properly be carried in an appropriation measure. When this point had been sustained, Chairman Padgett of the naval committee sought to save the program by offering an amendment appropriating \$5,000,000 for new ship construction. This amendment was ruled out on a point of order by Mr. Mann and Mr. Padgett then proposed an amendment appropriating \$2,000,000 for the ten battleships. Opponents of the naval expansion policy made no effort to press their advantage and after an hours debate on the \$2,000,000 amendment the house adjourned with the points of order still pending.

**Refused to Rules Committee.**  
During the discussion Chairman Padgett of the rules committee conferred with Mr. Padgett and immediately sent out a call for a meeting of the rules committee tomorrow. Uncertainty of the attitude of the members of the committee was said to have been responsible for the decision to hold the meeting tomorrow instead of pressing an immediate session. Chairman Padgett, however, was confident that the committee would let the program be presented to the house and supporters of the naval expansion policy asserted that it would be adopted tomorrow.

After Mr. Padgett had offered his amendment Representative Biller of Minnesota, Progressive, proposed a substitute amendment authorizing an appropriation of \$210,000,000 for the battleships but a vote on it was not reached.

Speaking on the Padgett amendment Representative Keating of Colorado, Democrat, urged the adoption of the naval expansion program saying that the possibility will view with surprise the heckling of President Wilson and the efforts to embarrass him.

Mr. Keating said the president represented all the people and not any party and that congress should support his work at the peace conference by approving the new building program which he recommended.

Representative Miller in offering his amendment declared for a big navy saying that construction of ten dreadnaughts "would just put us where we can make up the big ship construction that has been lost in the last eight years."

Opposition to the program was voiced by Representatives Sanders of Virginia and Currie of Michigan. Mr. Currie said that unless the president feared war, he ought to have action in the program was a "mean and contemptible bluff to gain power at the peace table."

## FIND LAWRENCE STRIKE UNJUST

LAWRENCE, Mass., Feb. 10.—An announcement that an investigation by a committee of the central labor union shown the work of the strike agitators in this city to be "not only un-American, but in the interests of Germany," was given out by labor union officials here today.

It was explained that after receiving information of a recent meeting of agitators in Chicago, at which it was decided to hold demonstrations at Lawrence, the central labor union had appointed a committee to investigate the situation here.

According to union officials the report of the committee will be forwarded to the headquarters of the American Federation of Labor in Washington.

## U. S. WILL HAVE TEAM AT NEXT OLYMPIC

NEW YORK, Feb. 10.—America stands ready to send a representative athletic team to the next Olympic games regardless of the time or place which may be designated, this was the answer of prominent amateur athletic union officials to the query of the Swedish Athletic Association made thru United States Minister Morris at Stockholm recently.

The track and field authorities of this country have been actively engaged since the signing of the armistice in preparing for a world-wide revival in competitive athletics and the implied desire of the Swedish association to re-establish the Olympic games did not occasion surprise in A. A. U. circles. Sweden acted as host to athletes from all parts of the world in the meet of 1912 and the imposing stadium built for the contest still stands.

## EQUAL SUFFRAGE MEETS FOURTH DEFEAT IN SENATE

### Advocates To Renew Campaign When 66th Congress Convenes

(By The Associated Press)  
WASHINGTON, Feb. 10.—By a margin of one vote equal suffrage met its fourth defeat today in the senate. No further action at this session is now possible but advocates announced that the now nearly half century old campaign for submission of the Susan B. Anthony constitutional amendment to the states would be renewed when the sixty sixth congress convenes.

On the final roll call today fifty five senators—one less than the required two thirds—voted for adoption of the resolution and twenty nine senators cast their ballots against it. Comparatively brief debate preceded the vote, which officially killed the resolution adopted by the house on January 10, 1913, by a vote of 274 to 133.

Defeat of the measure was witnessed by crowds of women in the galleries, but there were no demonstrations and dramatic incidents which have marked previous senate votes on the question were lacking. Up to the last moment, managers of the resolution expressed confidence of securing the one vote they needed but the opposition held firm.

Immediately after the vote was announced the suffrage leaders issued statements prepared in advance criticizing the senate action and announcing that the fight would be renewed in the next congress. Supporters of the resolution generally predicted that success would be attained then.

Twenty four Democrats and thirty one Republicans voted for the resolution today while eighteen Democrats and eleven Republicans opposed it. Of the senators absent and paired eight were recorded in the affirmative and four in the negative indicating that the sentiment of the 96 members was 63 for and 33 against.

**How Senators Voted.**  
Those voting in favor of the resolution were:

Democrats—Ashurst, Cluberston, Gerry, Gore, Henderson, Johnson of North Dakota; Jones of New Mexico; Kendrick, Kirby, Lewis, McKellar, Myers, Nugent, Pittman, Pollock, Sheppard, Smith of Arizona; Thomas, Thompson, Vardaman and Walsh; 24.

Republicans—Caldwell, Colt, Cummins, Curtis, Fernald, France, Frelinghuysen, Granna, Harding Johnson of California; Jones of Washington; Kellogg, Kenyon, LaFollette, Lenroot, McCumber, McNary, Nelson, Norris, Page, Poindexter, Sherman, Smith of Michigan; Smoot, Spencer, Sterling, Sutherland, Townsend, Warren and Watson; 21.

Total for 55.

**Against Measure.**  
Voting against the resolution were:

Democrats—Bankhead, Brackham, Fletcher, Gay, Hardwick, Hitchcock, Harris of Virginia; Overman, Pomerene, Saulsbury, Simmons, Smith of Georgia; Smith of South Carolina; Swanson, Trammell, Underwood, Williams and Wolcott; 18.

Republicans—Baird, Borah, Brandegee, Dillingham, Hale, Lodge, McLean, Moses, Penrose, Wadsworth and Weeks; 11.

Total 29.

The following were paired: Chamberlain of Oregon and Martin of Kentucky, with Reed of Missouri; Goff of West Virginia and Owen of Oklahoma with Shields of Tennessee, Hollis of New Hampshire and King of Utah with Knox of Pennsylvania and Phelan of California and Fain of New Mexico, with Smith of Maryland.

The one vote gained today was that of Senator Pollock of South Carolina, who spoke in vigorous support of the measure. Senator Pollock succeeded Senator Benet who voted last October against the amendment.

## General Strike In Seattle Ends At Noon Today

### Seattle's general strike, the first of its kind ever attempted in the United States well ended officially at noon tomorrow.

(By The Associated Press)  
SEATTLE, Wash., Feb. 10.—Seattle's general strike, the first of its kind ever attempted in the United States well ended officially at noon tomorrow. Decision to call off the strike was reached at 1 o'clock today by the general strike committee composed of delegates from all of the 130 local unions, after a four hour session. Of the unions represented on the committee 110 had voted to participate in the general strike. The committee meeting was adjourned after the decision was reached.

The resolution by which the strike was declared contained a statement advising all labor unions which returned to work Sunday or today, to go on strike again until tomorrow noon, as a demonstration of the solidarity of labor so that all would return to work together.

Members of the various unions were thrown into confusion by this request and it was considered uncertain whether it could be generally observed due to the lack of time for calling meetings.

**Adopt Resolution.**  
Following is the resolution adopted by the general strike committee:

"Whereas, This strike committee now assembled in the midst of the general understanding of the true status of the general strike; and

"Whereas, The executive committee is sufficiently satisfied that regardless of the ultimate action that the rank and file would take, the rank and file did stand pat and the stamped to return to work was no on the part of the rank and file, but rather on the part of their leaders.

"However, Be it understood that this committee does not question the honesty of any of the representatives of the general movement.

"Therefore, Be it,

"Resolved, That the following action become effective at once, Feb. 10, 1919.

"That, This strike committee advises all affiliated unions that have taken action to return their men to work, that said unions shall again call their men to respond immediately to the call of the rank and file until 12 noon Feb. 11, 1919, and to then declare this strike at a successful termination and if developments should then make it necessary that the strike be continued, that further action be referred to the rank and file exclusively."

Officials of the metal trades council, 25,000 members of which still are on strike, refused to comment on the effect which the end of the sympathetic walkout would have on the status of their strike, beyond saying that it "undoubtedly have some bearing on the shipyard worker's future movement."

## GLOWING TRIBUTE PAID CLEMENCEAU

PARIS, Feb. 10.—Commenting upon the interview given by Premier Clemenceau to The Associated Press which occupies the place of honor in all the Paris newspapers today, Alfred Capus in the Figaro, says:

"With its vigorous and hardy pessimism it is an act of ardent patriotism. It is just the plain language which it is fitting to talk to France and her allies at the present moment. France should be made to recall that her enemy wished for fifty years to cripple her and has not given up that design. The allies must be told that the victory bought with blood and sacrifice will remain a precarious one if they do not know how to complete it. Finally, Germany must be shown that she can no longer deceive us and it is our firm intention to make peace also to the finish."

"Premier Clemenceau has never been more lucid or stronger than in these declarations which will have a considerable effect."

## DEMPEY SIGNS TO FIGHT WILLARD

New York, Feb. 10.—Tex Rickard who is promoting a world's heavyweight championship bout between Jess Willard and Jack Dempsey, secured the signature of Dempsey today, in order that there would be no legal flaw in the agreement Rickard and Dempsey and the latter's manager, Jack Kearns, crossed the Hudson River and signed the articles in the ferry house at Weehawken, N. J. The trip to New Jersey was made to avoid a possible violation of the laws of the state of New York.

## LARGE SUPPLIES SENT ABROAD

Washington, Feb. 10.—Nearly \$45,000,000 worth of vehicles, harness, forage and raw materials were shipped to the American Expeditionary forces from the beginning of the war to Dec. 1, 1918, according to information made public today by the war department.

## U. S. TANKER CALLS FOR HELP

Halifax, N. S., Feb. 10.—Calls for help from the American tank Steamer Communipaw were picked up today. The message gave the vessel's position at latitude 38.18 north, longitude 55.15 west but did not explain the nature of her trouble. The American coast guard Steamer Talapoosa was dispatched to her assistance. The Communipaw sailed from New York Feb. 2 for Genoa.

## GLASS SEEKS BROADER POWERS FROM SENATE

### Wants Unissued Liberty Bonds Increased to Ten Billions

(By The Associated Press)  
WASHINGTON, Feb. 10.—Secretary Glass today asked congress to increase the amount of liberty bonds authorized on unissued to approximately \$10,000,000,000 and to give him broad powers to determine the interest rate and other terms of the victory liberty loan, to be floated late in April. He also sought permission to issue not more than \$10,000,000,000 of treasury notes, maturing within five years and asked that the War Finance Corporation be authorized for one year after the declaration of peace to make commercial loans on exports to facilitate foreign trade.

In a letter to Chairman Kitchen of the house ways and means committee, Secretary Glass outlined the broad policies which the treasury hopes to follow in dealing with war loans and other national financial subjects of the readjustment period.

**Treasury's Recommendations.**  
The secretary submitted a draft of a bill which would carry out the treasury's recommendations. Specifically, this bill would accomplish the following results:

Raise from \$5,000,000,000 to \$10,000,000,000 the authorization for the Victory Liberty Loan, and permit the treasury to determine what part of this sum should be sold.

Permit the secretary of the treasury to determine interest rates on bonds maturing within ten years or the next liberty loan, instead of limiting the rate to 4-1/2 per cent, as provided in the present law.

Permit the issue of not more than ten billions of interest-bearing non-circulating notes having maturities from one to five years; these might be sold along with bonds of the Victory Liberty Loan.

Authorize the issue of bonds and notes payable at a premium.

Exempt war savings certificates from income surtaxes.

Confer on the secretary of the treasury authority to determine the tax exemption in respect to future issues of bonds and notes, and to enlarge tax exemptions of existing liberty bonds in the hands of subscribers for new bonds and notes.

Re-open the privilege of converting four per cent liberty bonds into 4-1/4; this privilege expired last November 9.

Create a 2-1/2 per cent cumulative sinking fund for retirement of the war debt.

Extend the authority of the war finance corporation to permit it to make loans in aid of American commerce, supplementing the aid given by the treasury in direct loans to allied governments and in a measure relieving the treasury of demands for such loans.

Permit the continuation of loans to allies after the war.

Exempt from income surtaxes and profits taxes all issues of liberty bonds and bonds of the war finance corporation held abroad.

**Explains Measure.**  
As the reason for asking such wide authority to determine the terms of the victory liberty loan, Secretary Glass explained in his letter to Mr. Kitchen that he could not determine this far in advance particularly because the country was in a state of commercial and industrial readjustment, what the terms should be in April. Further more, it is necessary for congress to act before adjournment March 4.

"The victory liberty loan could not be issued successfully now that hostilities have ceased within the limitations imposed by existing laws," said Mr. Glass. He also declared that normal conditions would be facilitated by enacting of this legislation.

Mr. Glass expressed hope that the operation of the laws of supply and demand regarding foodstuffs would soon cause reduction in the cost of living, and warned against artificial retardation of the process of falling prices and credit contractions.

"Buying will not begin and activity will not set in," he commented, "until the community at large is satisfied that prices have reached bedrock."

Mr. Bierd of the C. & A. says that passenger trains on that road must move on time. Let us hope the same edicts go forth about freight. Now the average time of a car shipment from Chicago to Jacksonville is ten days.

Everybody wants a lot of public work done in order to furnish work during the days of "non-employment." But everybody also knows that materials are high and public work now will be on an expensive level. The question is what is "everybody" going to do about it.

If councils and residents in other cities view the "home rule" bill the same way that Jacksonville officials see it the vote in the legislature will be unanimous. However "home rule" for utilities means the end of the state commission, a law with so much individual power left to the cities wouldn't amount to much.

The former crown prince in a "most remarkable interview" says he wants to live in America and that if the United States had kept out that Germany would have won the war. There's nothing "remarkable" about that statement. The Allies admitted that long ago. In fact they sent missions here to say that "their backs were against the wall" and that the U. S. must help if democracy lived.

The Illinois legislature will observe Lincoln's birthday with a program in the morning and then will continue work in the afternoon. That's a course Lincoln would approve. There never was good sense or business losing a whole day of a busy session in celebration of anybody's birthday. More honest recognition is given by pushing along the important business of the legislature.

AMERICANIZE ALL ALIENS.

Every man, woman and child in the state of Illinois may be English speaking, no matter the country of birth, if the Legislature acts upon the recommendations of the State Council of Defense for the teaching of English to aliens in the public schools.

The resolution adopted by the Council, which has been forward-

ed to Springfield, suggests that evening classes be made a part of the general scheme of education of the state. It is as follows: "Because the Americanization of aliens is greatly advanced when they acquire familiarity with the common language of our country and because this acquisition of our language is helpful to every individual in every industry and greatly lessens liability to accidents, it is the sense of this Council that the general scheme of public education throughout the state should, by means of evening classes in the public schools and otherwise, provide for encouraging and facilitating acquisition of the English language by aliens who have come here after passing the age of compulsory attendance at school."

NOT BOLSHIEVISM, BUT DISCONTENT.

Reports are being circulated that Bolshievism is finding a lodging place among some of the soldiers returning from Europe, and that conservative Americans are growing uneasy at the prospect of the cult of Lenin and Trotsky finding a following among the defenders of this Republic. Such reports can scarcely be credited. That there is a great deal of discontent among the troops returned is no doubt true, but this is but the natural result of gross mistreatment to which they are being subjected by an Administration which seems to give little thought to the comfort and welfare of those who fought against the Hun.

It has been estimated that the average period for which our soldiers have gone unpaid is 6 months; the allotments to their families are far in arrears; insurance adjustments in some cases seem nowhere in sight; sailors have been reported working at hard manual labor alongside carpenters and other plyers of trade, but receiving only the base pay provided by the government, although some of these men were ordered home from France for discharge; many have been refused discharge papers although they have good jobs in sight.

FIGURING ON THE U. S. WAR DEBT.

The vast war burden in debt which the United States acquired so suddenly following a period of remarkable prosperity is suggested in a very succinct way in the Bache Review:

In 1916 before the United States entered the war, the Government interest-bearing debt was under \$1,000,000,000. In the course of this year and after peace is declared, this Government debt will probably have increased to \$25,000,000,000 or

\$26,000,000,000. Thus in the period of two years a nation which had been progressing for many years in conservative fashion as regards national borrowings, has rolled up in its path an enormous liability, and it is this great war debt with its controlling influences which creates the difference between the situation of the United States at the beginning of 1917 (when for two years the whole nation had been accumulating vast profits) and the situation at the present time.

It may more graphically portray this difference to consider that the yearly interest from this time forth on the United States debt will be fifty times greater than it was only two years ago.

And even if we think of this calmly, it does not make us reconciled to intimations at the Peace Conference that Germany is to be let off from paying war costs of other nations, and we are not made more happy to think that because of Germany we must pay every year fifty times more to carry the debt for which Germany is responsible.

And yet our own situation is vastly more favorable than that of our Allies, who stood the brunt of years of war and bore losses in men and money incomparably greater than ours, equally for our salvation and for theirs. Senator Harding last week voiced the feeling of many American citizens when he said:

"The point I want to make is that we proclaimed to the world that we were making a war for democracy, and we never would have proclaimed it for a single minute if it had not been for the politics of the moment, when most men in public life were fearful of offending the so-called German vote in the United States of America; and instead of announcing that we were making war on Germany, which had trespassed upon American national rights, we made the excuse that we were making war for democracy, and it has been a lie from the beginning."

Rippling Rhymes By Walt Mason

Sickness or Laziness.

I've never felt as good as new since I was laid up with the flu. My wife refers to many chores both in the house and out of doors which should be done without delay, but I am weak, as weak as "why." I simply lack the strength to go and shovel forty tons of snow. If I were only feeling good I'd gladly bring in coal and wood, and feed the warthog in his pen, and hump around like other men. But I feel like a cast-off shoe since I was laid up with the flu. My wife regards my tale of woe as faked up stuff that isn't so. "You faked along on nimble feet to see that dog fight down the street," you recall after a six foot fence and like a race horse sprinted hence, when you were told by Neighbor Brown that some one's house was burning down. But when I saw the roof leak rain, you're twisted up with poignant pain; you're all unnerved and out of whack, and have the fantoms in your back. Alas, no sympathy is mine; alone I weep the scalding brine. My wife at my complaints has laughed; she thinks I'm working Aesop's graft; she scoffs at crippled lung and limb, and talks about the Brothers Grimm. Yet I am sore in every thigh, since I was laid up with the flu.

SPEAKING OF MULES THAT REMINDS ME.

Speaking of mules, there is one that wears an iron kettle on his tail and in his picture he is shown emitting a awful bray and saying, "You never saw me, folks, did you, without the famous kettle on my tail? Everybody wonders why it is there."

Well, I've never told the secret yet, but now I am going to give everybody who reads about it a chance to guess it, and at the same time win one of a number of liberal money prizes.

The picture of this mule will appear in the Journal from Wednesday until next Tuesday inclusive, in an advertisement about the name of Cain Mills of this city. There are \$200 in cash prizes to be distributed for the best answers. That's the story in brief of the mule and the kettle.

For the picture and see if you cannot get some of the money. All replies are to be addressed to Maud Purina, care Purina Mills, St. Louis, Mo.

NORTONVILLE HELD GOOD ROADS MEETING

Enthusiastic Gathering Held Monday Evening—Town is Placed on P. P. H. & J. Trail—Number From Here Attended Meeting.

Nortonville to the front when it comes to the matter of good roads boosting. Only Sunday morning Clarence Dalton conceived the idea of a good roads booster meeting in his town and called up President H. K. Snyder who at once got busy and secured as many to go down last evening as possible and Mr. Dalton gave it out at a sale and the result was a gathering that occupied every chair in the Odd Fellows' hall and a lot sat on the floor.

Those going from Jacksonville were: H. K. Snyder, Dr. Chapman, Vincent Riley, W. J. Brady, Roy Craig, Owen McNamara, John Snyder, Charles S. Magill S. W. Nichols, L. T. Potter, E. F. Johnston and J. S. Hackett.

Clarence Dalton called the meeting to order and requested Mr. Snyder to preside and there was a splendid time marked every cause for regret that the lateness of the hour makes a short report necessary.

Mr. Snyder said that it was all important to have good roads. It is a pity that Illinois, at the head of the states in many ways is 23d when it comes to condition of roads. For this purpose the 60 million bond issue has been voted. The meeting this evening was certainly an honor to Nortonville for it showed the interest the people are taking in the matter.

Interest is Growing.

Secretary Potter said the interest was growing; there were already 250 names in the Morgan county association and there should be many times that number. We are working with Pike, Scott and Sangamon counties and are doing all possible for the cause. Their committee has visited Springfield to see the state authorities and secure all favors possible for our region.

County Commissioner Charles S. Magill said the appropriations for oil roads would be changed to hard roads. The cost of concrete hard roads will be about a \$1,000 a mile for each foot in width.

Vincent R. Riley spoke strongly in favor of the movement and John Snyder of Alexander, a good roads builder himself and enthusiastic for the work offered some remarks. He is a model commissioner and has accomplished more than almost any other man in the county.

J. S. Hackett urged dragging and every means to make roads good and was anxious for the first. W. J. Brady said it was his first visit to Nortonville and he had been delighted with the scenery along the way and would surely visit it again. Ball all means such a place as Nortonville should have good roads and we can get much if we all pull together.

E. F. Johnston praised the fine gathering and told of the roads in Kentucky which had superb horses but poor roads over which to drive them.

On behalf of the Journal S. W. Nichols spoke in favor of the enterprise and assured the audience that the Journal would be found on deck at all times in favor of good roads.

Craig Urges Cooperation.

Roy Craig has been an earnest advocate of the good roads, has done much to secure them and spoke at length on the subject. He was strongly in favor of hard roads when practicable and good roads everywhere. He said the time was coming when the government would help in the matter if the people showed a disposition to work as they should. He was head of the P. P. H. & J. trail and while there he officially extended it through Nortonville and on down to the lower counties and it will probably keep on till it passes thru Litchfield, Carlinville and to St. Louis. He emphasized the importance of working together.

Remarks were also made by J. S. Miller, F. A. Mansfield of Macoupin county, Mr. Pond, H. J. Lemon who was earnestly in favor of good roads to get to the proposed state aid hard roads; and as Nortonville was sure not to have a railroad it was necessary to have good wagon roads.

Nortonville Will Work.

Clarence Dalton, who is head of the movement for the extension of the P. P. H. & J. trail spoke briefly. He was proud of the fine meeting, thanked the visitors for coming and assured them that Nortonville would do all possible for the good cause. He had found great encouragement when solicited funds for painting the poles along the line of the P. P. H. & J. trail and was sure the people of Nortonville would always cooperate in work for good roads. He had tried to locate the trail so as to accommodate as many as possible and was urgent for united action.

E. F. Johnston favored the audience with a recitation and the secretary opened the list for members and 23 signed and paid their dollar each.

Nortonville is now on the P. P. H. & J. trail and may be proud of the meeting so well attended last night. It surely promises well for the future.

It will be well for all localities in the county to have similar meetings and if they will communicate with Mr. Snyder and Mr. Potter as many visitors as possible will be secured and all done to help along the good work.

W. S. S. WORKERS IN CONFERENCE TODAY

State Officers Met With Those From Fourth District in Springfield—Treasury Department Representative Told of Plans.

A conference of the officers of the Illinois War Savings committee with the officers and workers of the fourth district, of which Dr. J. G. Ames is superintendent, was held in Springfield Monday. The meeting was held at St. Nicholas hotel with about eighty in attendance.

Shailer Matthews, assistant state director, together with several department directors, were present and one of the principal addresses was made by Ward Smith of the treasury department at Washington.

Each of the twenty-six counties in the district was entitled to four representatives at the conference, the county chairman, chairman of the women's work, county superintendent of schools and the recording postmaster. In addition to Dr. Ames those present from Jacksonville were Ralph I. Dunlap, Thomas Harber, L. B. Turner, Mrs. Ben Lorton and Miss Alma Mackness.

The general plans for the year were discussed and Mr. Smith brought a special message to W. S. S. workers from Washington. Altogether it was a session which filled the various committee members with a new enthusiasm in their work.

MATRIMONIAL

Winner-Wilson.

The marriage of Harlow Winner and Miss Hattie Wilson, both of this city, occurred at Palmyra, Mo., Saturday morning, Feb. 8. The young people left on the early morning train for Hannibal, from which they motored to Havana, where the ceremony was performed by Lieut. J. T. Bloom, pastor of the M. E. church. The bride is the daughter of Mrs. M. Wilson of Versailles. The groom is the son of Mr. and Mrs. J. T. Winner, formerly of Ashland and now residents of this city. Mr. and Mrs. Winner will be at home on the Al Leach farm, west of Jacksonville, and begin their married life under very auspicious circumstances.

BIRTH RECORD

Born, to Lieut. and Mrs. Garm Norbury, at Passavant hospital Monday morning, a daughter, Ruth Margaret Norbury.

ADDRESSED STUDENTS.

Dr. John W. Day of St. Louis, who made an address at Congregational forum Sunday night, spoke before the students of Illinois college Monday morning. Dr. Day's theme was Theodore Roosevelt and his address was based upon a great admiration for the former president and a wide fund of information concerning his life and character. The students found the address of a most absorbing and informing kind.

**FROM COUNTY AGENT'S OFFICE**

Who's Who at the Dairy Meeting.—As previously announced the big dairy meeting for Morgan County farmers will be held at the Court House at 1:30 o'clock Thursday Feb. 13th. S. P. Mason who will speak on "The Dairy Situation," is president of the Illinois State Dairyman's Association. He is a practical dairy farmer who has made good at the business. Howard E. Barker, who will speak on "Feeds and Management," is manager of the Lisle Dairy Farm at Lisle, Ill. These men have a message for us. Come out to hear them.

**Prices of Mules.**—A prominent farmer in the southern part of Morgan County, informed the County Agent that buyers in some localities are trying to hammer down the price of mules, using as an argument that the government is going to unload its purchases on the American markets. Recent market reports indicate a very ready sale for all mules offered. The southern buyers are said to be unable to supply their trade. The market reporter for the Breeder's Gazette predicts that the price of mules will rise instead of fall. The United States Department of Agriculture, in its recommendation for 1919, does not think that a very material increase is needed in either horses or mules but does recommend breeding the special types for particular markets.

**Projects of Illinois Agricultural Association.**—This association of Farm Bureau is now standing for the following projects:

1. What would it be worth financially to you as a farmer if these projects are realized?

2. Appropriation by Congress to make the wheat guarantee for the 1919 crop.

3. Maintenance of the \$17.50 minimum hog price until April 1 at least.

4. Regulation of Argentine corn imports.

5. Investigation of embargoes on livestock shipments.

6. First roads to be built under the bond issue to be those most important as farm market roads.

7. Investigation of bills affecting agriculture that may come before the present session of the Illinois legislature.

8. Amendment to the federal farm loan law to increase the maximum amount that may be loaned to any one person to \$25,000 with the same provision to increasing the percentage of the appraised value of the farm that may be loaned.

9. Repeal of the daylight saving law.

**NOTICE TO CONTRACTORS**

Bids will be received by the city council until noon, Thursday, Feb. 13, 1919 for the construction of certain sidewalks on the following named streets: Be-

cause of failure on the part of property owners to comply with notice sent them, the city will have the work done and charged against the property in accordance with the law. The streets are as follows: North Main, South East, Pine, North Diamond, West College, South Sandy, Linton, West Court, Myrtle, Mathers, Cor., South Diamond, North Church, West Railroad, Grove, East Court, Westminster, Park, Brown, Prospect, Fulton, East State, Howe, South Fayette, Bedford, Richards, West North and Bissel streets.

Also West College, East College, Illinois, Allen, South Clay, East Independence and Ashland avenues. The council reserves the right to reject any and all bids.

R. L. Pyatt, City Clerk.

**GO TO JUDICIAL CONVENTION AT BUSHNELL**

A number of Morgan county Republicans will attend the convention of the fourth supreme court judicial district in Bushnell today. The convention has been called to nominate a candidate for the supreme court bench to fill the vacancy caused by the resignation of Judge George A. Cook. Among the Morgan county delegates are Thomas Worthington, J. J. Reeve, L. O. Vaught, J. P. Lippincott, Carl Robinson, Judge Paul Samuel, Hugh P.

## Best Treatment for Catarrh

S. S. S. Removes the Cause

By Purifying the Blood

Once you get your blood free from impurities—cleansed of the catarrhal poisons, which it is now a prey to because of its unhealthy state—then you will be relieved of catarrh—the dripping in the throat, hawking and spitting, raw sores in the nostrils, and the disagreeable bad breath. It was caused, in the first place, because your impoverished blood was easily infected. Possibly a slight cold or contact with someone who had a cold. But the point is—don't suffer with catarrh—it is not necessary. The remedy S. S. S., discovered over fifty years ago, and tried, is obtain-

able at any drug store. It has proven its value in thousands of cases. It will do so in your case. Get S. S. S. at once and begin treatment. If your case is a long standing case, be sure to write for free expert medical advice. We will tell you how this purely vegetable blood tonic cleanses the impurities from the blood by literally washing it clean. We will prove to you that thousands of sufferers from catarrh, after consistent treatment with S. S. S., have been freed from the trouble and all its disagreeable features and restored to perfect health and vigor. Don't delay the treatment. Address: Medical Director, 439 Swift Laboratory, Atlanta, Ga.

**MANY RESIDENTS AT PAVING HEARING**  
Sentiment of Property Holders Strongly Against Proposed Improvement on East and West College Avenues.  
The board of local improvement held a hearing on the proposed paving of East and West College avenue Monday afternoon at 3 o'clock. The city council chamber was crowded with interested property holders and the sentiment against paving at this time was almost unanimous. A petition was presented asking that the improvement be deferred and it was signed by a large number of property owners. John M. Butler presented this petition and made a brief argument against the paving at this time. Dr. C. H. Rammelkamp presented a resolution adopted by the board of trustees of Illinois college opposing the paving at this time. This was signed by a committee including Andrew Russell, Thomas Worthington and C. H. Rammelkamp. A number of property holders were heard and before the session was concluded there were some sharp exchanges. When Mr. Widmayer suggested it would be a good thing to ask if anybody was in favor of the paving Felix E. Farrell stated that last year he was in favor of the paving and that his position

had not changed. T. A. Chapin and Nelson McMurphy were also in favor of the improvement.  
At the conclusion of the discussion a motion was made that the hearing be adjourned until Thursday, when the board will make its decision. There were indications from statements by council members that a decision will be given to postpone the paving in accordance with the wishes of a majority of property owners. The names signed to the general petition for delay are as follows:

**When Grandma Used to Cure Your Colds—**  
goose-grease and turpentine were all she needed—but they cured colds. Now science has added to and strengthened her good old remedy so that it gives  
**Relief in 20 Minutes**  
Science added Menthol, Wintergreen and other healing oils, the fumes of which, inhaled, give instant relief inside, where the real irritation is. At the same time the goose-grease and turpentine set up a counter-irritation that draws away the soreness.  
Wonderful relief is felt almost instantly by the inflamed lungs, throat and nasal passages.  
MENTHOL-EZE is the name of this new-old remedy—a sure relief for the simple ailments and a first-aid for the more serious ones. It relieves the most stubborn cold, usually with one application. Fever subsides, the phlegm is loosened and restful healing sleep follows.

**JOHN O'BRIEN IS IMPROVING**  
Mrs. John O'Brien of South Church street, Monday received a letter from her husband, John, in which he stated that he was "out of the hospital, but still in it," that he had about recovered his health and had been appointed a hospital orderly and assigned to duty in a hospital at Toul, France. It will be remembered that John had six weeks' of service at the front during the battles of Metz and Toul and as a result of the long exposure and strain was taken ill and spent over two months in hospitals as a consequence. Mr. O'Brien does not know when he will be returned home.  
**VISITED PARENTS**  
Major Egbert Fell, medical corps U. S. army, who has been stationed at Walter Reed General Hospital, Washington, D. C., for the past six months as chief of the department of nervous and mental diseases spent Sunday with his parents, Mr. and Mrs. Wm. J. Fell. Major Fell is making an inspection of the army hospitals which care for nervous and mental cases for the surgeon general's office.  
After completing this duty and before returning to his work in Washington, D. C., he will spend a ten days leave with his family in Rockford.  
**FIRE DEPARTMENT IS STILL BUSY**  
The fire department still keeps busy. Sunday morning at 8 o'clock a run was made to the residence of R. K. DeFreitas, 1934 North Main street. Fire had started in the roof by sparks from a chimney. Small damage was done and the loss is fully covered by insurance.  
At 1:45 o'clock Sunday afternoon the department responded to an alarm at Cherry's Annex, 310 North Main street. Fire had started in the coal box and was extinguished without and damage to the building.  
Monday morning at 10:35 o'clock an alarm came from the residence of W. R. Haineline, 552 Hardin avenue. It was a roof fire started by sparks from a chimney. The damage was small.  
**SERGEANT UNDERWOOD HOME**  
Sergeant B. Underwood has returned home from the war and sensibly entered Illinois college again. He entered the service last August in the mechanical and general motor transport corps. His time was spent partly in Chicago, partly at Camp Jessup, Fla., and he finally landed in Philadelphia. He says while he was away he passed thru and saw twenty-two states. There were 720 men in his organization and many of them were retained for duty, buying supplies and in general work, but he was one of eight fortunate ones in getting home. He looks fine and will at once begin work in Illinois college.  
**SUIT FILED.**  
In the circuit court Mrs. Gertrude Reynolds, by her attorney, E. Etter, brought a suit for an accounting against Robert Breeding. An injunction was also asked and was ordered to issue. In this proceeding it is alleged that the complainant and defendant entered into a partnership for the operation of a poultry business, that the partnership was dissolved Feb. 1, and the defendant has a bank balance of more than \$400, in which the complainant has an interest and that no accounting of the business has been secured.  
**DISCHARGED FROM SERVICE**  
Paul Hempel, son of C. A. Hempel of 201 Oak street, has received his honorable discharge from the army service and is now at his home here. Mr. Hempel has been in France for the past five months, returning on the S. S. Rhode Island which landed Jan. 26. He was first sent to Camp Wadsworth, S. C., and from there went to Camp Upton, Long Island. It was from the latter camp that he embarked for overseas service. He says he liked army life very much but is glad to be at home again.  
**NEW ERA MOVEMENT**  
As is well known in Presbyterian circles, a new era movement is on foot in the denomination termed "A New Era." The object is to solidify and combine the benevolences of the church and to accomplish many improvements and betterments. To that end meetings are being held and many efforts are being made to bring about great and good results for the common welfare so assiduously sought by that noble denomination.  
From this city a number expect to be present in Chicago today. Among them from State street church, Rev. W. H. Marbach, Mrs. Mary T. Carriel, Misses Nellie and Mamie Cunningham, and Wm. Floreth. From Westminster church, Rev. E. B. Landis, R. R. Stevenson, Mrs. J. Marshall Miller and Miss Catherine Barr. From Northminster church, Rev. J. B. Morgan and Wm. Sperry.

**J. A. OBERMEYER DIED SUDDENLY MONDAY**  
Well Known Druggist's Death Came as Shock to His Friends—Funeral Will Be Held Wednesday.  
The people of Jacksonville were greatly surprised late Monday afternoon to learn of the death of John A. Obermeyer, for many years a well known resident. For nearly two years past Mr. Obermeyer had been in failing health, but there were few who knew of his critical illness. In fact, Mr. Obermeyer was at his pharmacy and was about the house as usual Sunday.  
Sunday night, however, he did not feel as well as usual and retired early. At 4 o'clock Monday morning Mrs. Obermeyer went to his room and found him lying heavily and in an unconscious condition. Dr. W. P. Duncan, who had been attending him, was summoned and arrived shortly afterward. He saw Mr. Obermeyer several times during the day but the sick man did not regain consciousness and at 4 o'clock death came. Death was the result of cerebral embolism.  
Mr. Obermeyer was born Feb. 17, 1859, in Winchester, being the son of Mr. and Mrs. Peter Obermeyer, among the best known residents of Scott county. The deceased was married Oct. 18, 1887, at Riggs to Miss Sally Coultas, and very soon afterward this city became their home. Mr. Obermeyer after securing public school and business education, studied pharmacy. His first position here was in the Hockenbuhl drug store on the east side of the square. Subsequently he was employed in the Williamson drug store in the location now occupied by the Gilbert pharmacy. Still later he entered the employ of Dr. Van Welch at the city drug store and so endeared himself to Dr. Van Welch that a half interest in the store was willed to him. Subsequently he purchased Mrs. Van Welch's interest and was the sole proprietor for a number of years. At a later date he associated his son, Harry P. Obermeyer, with him. At that time the business was enlarged to include the stock of a general book store.  
Mr. Obermeyer was in business here for twenty-two years and in point of business ranked as the oldest druggist in Jacksonville. He built up an extensive business and was accounted as one of the best informed pharmacists of the city. The deceased had long been a member of the First Baptist church and for years was active in various departments of the church work. He was a member of Harmony lodge No. 3, A. E. & A. M.; Knights of Pythias, D. O. K. K. I. O. O. F.; Red Men, Debeakhs, Ridgely, Edmund and council of Pocahontas. The fact that Mr. Obermeyer was identified with so many fraternal orders was indicative of his spirit. His life was always characterized by friendliness and he was unfailing affable and courteous. So thorough the years he acquired a wide circle of friends, both in Morgan and Scott counties, and many will regret to know of his untimely death.  
Mr. Obermeyer is survived by his wife, one son, Harry P. Obermeyer of this city; three daughters, Mrs. Wm. Maxwell of Indianapolis, Ind.; Miss Dean Obermeyer of this city; Mrs. Helen Goveh of Rock Island. There are two grandsons, John Arthur Obermeyer and Evan Maxwell, Jr. He is survived also by his parents, Mr. and Mrs. Peter Obermeyer of Winchester, and the following brothers and sisters: Mrs. A. H. Owings, Litchfield; Mrs. J. A. McKee, Springfield; Mrs. Belle Dunham, Denver, Colo.; Dr. A. E. Obermeyer, Arcadia, Wis.; Mrs. F. Obermeyer, A. B. Obermeyer, C. B. Obermeyer, Chicago; R. D. Obermeyer, Kansas City.  
The funeral will be held Wednesday afternoon, with services in charge of Dr. A. A. Todd, pastor of First Baptist church. The exact hour and the place of the services have not yet been determined.

**FEAR GERMANY MAY RENEW WAR AGAINST ALLIES**  
(Continued from Page 1)  
things. They are causing a great deal of difficulty.  
"We are demobilizing fast; they are not continuing to demobilize. There is danger of Germany saying: we don't care anything about your league of nations, and we have our troops. Unless a change takes place we might be faced with a situation in which Germany as regards the number of men in the field, will have three men as against the allies' two."  
"The question of demobilization has been taken up by the supreme war council."  
The correspondent in Paris of the Daily Mail credits Marshal Foch as having said to the supreme war council that there were many instances of Germany's failure to comply with the armistice terms, notably in the handing over of artillery, submarines and agricultural machinery.  
"Capable of Placing Large Army." According to Marshal Foch's estimate the Germans are now capable of placing an army of 3,000,000 in the field in two months time.  
The correspondent adds:  
"It is desired to make a renewal of the war impossible under the conditions to be laid down Feb. 17. The terms suggested include the handing over the whole of the German artillery; compulsory reduction of the German army to twenty five divisions with machine guns for the internal policing of the empire, and occupation by the allies of the Ruhr district which includes Essen."  
"During an impassioned debate on the proposals the further suggestion was made that in view of Germany's attitude the allies should also revert to the initial demand for the handing over of transport which was modified on account of Germany's plea of impossibility."

**HELD PUBLIC SALE**  
A public sale was held by James Ellington Monday at his home six miles southwest of Franklin. H. E. Spencer was the auctioneer and Gus Henry the clerk. It was a clean up sale and Mr. Ellington is preparing to move to the Irving Farm which he recently purchased. Corn brought \$1.40 in the crib and oats 66 cents a bushel. Clover hay sold at 75c a bale and straw at 30c. J. T. Mutch bought 11 heifers at \$54.50 a head; Frank Longan a cow at \$106; H. E. Spencer four steers at \$65 each. Four sows were sold at \$41.50 each.  
**DAIRY SPEAKERS TO COME THURSDAY**  
A meeting of those especially interested in dairy extension will be held in Jacksonville Thursday, in accordance with arrangements that L. T. Potter and others are making. Among the speakers will be H. E. Barker, general manager of the Lisle Farms, at Lisle, Ill., and J. T. Mason, president of the Illinois State Dairy association.

Capt. Carriel has no definite knowledge now as to when he will receive orders to return home.  
Harry Weiss, manager of the Central Film Co., Chicago, was a business caller on Harold J. Johnson Monday.  
**DAIRY EXTENSION MEETING**  
L. T. Potter and H. W. Derry have returned from Altamont, where they went to attend a meeting held in the interest of the dairy extension movement in Illinois. There was a large attendance and there is no question about the interest in the dairy extension program in that part of Illinois.

## Social Events

**College Hill Club.**  
Mrs. Joseph R. Harker was hostess to the College Hill Club Illinois Woman's College Monday afternoon. There was a good attendance and the regular business session was held. The paper for the afternoon was presented by Mrs. Harker, whose subject was "Belgium". Following the business session a social hour was enjoyed and refreshments served.

**Entertained Children.**  
Mr. and Mrs. Albert Riggs of Murrayville entertained some of their children Sunday. Those

present were Charles V. Riggs, wife and son of Jacksonville; Herbert Riggs, wife son and daughter of Ceres; Walter Riggs, wife, three sons and daughter; Clifford Ketter, wife and two sons of Murrayville. A bountiful dinner was spread before them to which they did justice. The afternoon was spent in music and a social time.

## Entertained at House Party.

Mr. and Mrs. Vertrees Blimling of Woodson entertained at a house party from Friday until Sunday. Rook was played and music enjoyed. Sunday Mrs. Blimling prepared an elegant duck dinner. Those present were Miss Margaret Stranberg, Miss Bird Blimling, Miss Maude Blimling, Vol Sevier, all of Jacksonville; Ira Fanning and Samuel Dean, Mrs. Minnie Clayton, Ed Wehl, Dale Blimling of Murrayville; Stella McCurley and Ethel Shirley, Mr. and Mrs. Frank McCurley and Amos McCurley of Woodson.

## C. W. B. M. Met.

The regular meeting of the C. W. B. M. of the Christian church was held Friday afternoon, Feb. 7th, at 2:30. Mrs. C. K. Moore, leader. Twenty five members were present and five visitors. The meeting opened with song number 97, prayer by Mrs. Wharton, and series of Bible quotations by members. Song, "Where He Leads Me I Will Follow," by Nannie Rawlings. Vocal solos, two short songs, "A Sacrament" and "Valentine" by Mrs. Abe Wehl, accompanied by Mrs. Roberts. Prayer by Mrs. Litter, Mrs. Bollman and Miss Eleanor Thompson. Paper, "Among China Women" by Mrs. Wait. Paper, "Works in Japan," by Mrs. Bollman. "Facts to be Noted," by the president, Mrs. Clarkson. An interesting talk was then given by the district secretary, Mrs. George Peck, who never fails to give some thing worth while. Song number 71 was then sung. One new member was added to the society, Mrs. Albert Crum, her name being handed in by Mrs. Lizzie Litter. Interesting business was then transacted. Benediction was given and the meeting adjourned to meet again the first Friday in March.

## Entertained for Dr. Day.

Dr. and Mrs. A. L. Adams entertained a number of officials and members of the Anti-Tuberculosis society Monday noon at the Elcock Inn, with Dr. John W. Day of St. Louis as the guest of honor. Dr. Day is a friend of Dr. and Mrs. Adams and was their guest during his stay in the city. The visitor is the president of the Anti-Tuberculosis society of St. Louis and is therefore especially interested in the work of the Jacksonville society.

cially interested in the work of the Jacksonville county society. In the afternoon he visited the Josephine Milligan school and later also inspected the Morgan county tuberculosis sanatorium.

## Wedding Anniversary At Chapin.

Fifty of the friends and relatives of Mr. and Mrs. R. B. Wallace of Chapin, helped them to celebrate their fiftieth wedding anniversary at their home Friday evening, Feb. 7th. The house was beautifully decorated with cut flowers.

One of the unusual features of the occasion was the representation of four generations: Mrs. Mollie Hill, a daughter of Mrs. Wallace; Bert Hill, a grand son, and Miss Lucille Hill, a great grand daughter.

Another unusual happening was the presence of Mrs. Lissie Anderson and St. Clair Taylor, who attended Mr. and Mrs. Wallace's wedding.

Mr. Wallace, being an old soldier, was pleased to have present two of his comrades Mr. Williamson and Mr. St. Clair Taylor.

The fore-part of the evening was spent in playing "Clumps." Mrs. Alpha Anderson and Mrs. Lou Brownlow acted as captains. Mrs. Brownlow won the grand prize, a plate. Mrs. Anderson received for her prize, a bottle of ketchup.

Following the games, a three course luncheon which was prepared by Mrs. Mollie Hill and Mrs. Charles Nergenhah, was served by Doris Anderson, Leona Brockhouse, Eva Anderson, Harriet Nergenhah, Mildred Anderson and Mrs. Lou Brownlow.

After the luncheon Mr. Wallace with a few well chosen words told of some of the happenings of fifty years ago. While on his feet he thanked the friends and relatives for the many beautiful and useful presents that had been given them during the evening.

Everybody present will remember the occasion as a happy and enjoyable event of their life.

## Tenth Anniversary of Mr. and Mrs. Rexroat.

Monday was the tenth wedding anniversary of Mr. and Mrs. Earl Rexroat, residing west of Litterberry, and in honor of the event they entertained sixty-five of their friends Monday evening. The house was prettily decorated for the occasion with valentines and refreshments in keeping with the season were served during the evening. Several piano selections by Mrs. Durrell Crum added much to the pleasure of the evening. Games and contests were a part of the program, and in the potato race Floyd Martin was the winner.

## Musicians' annual ball, K. of C. hall, Monday night, Feb. 17. Orchestra 20 pieces.

## ALEXANDER.

Miss Kate McGinty of Jacksonville and sister, Miss Margaret of Springfield, are spending a few days at their home in Alexander.

Mr. and Mrs. J. C. Ewen and daughter Lena motored to Chatham Sunday for a visit with friends.

Dr. G. H. Kopperl of Jacksonville made a business trip to Alexander Monday.

Mr. and Mrs. George Snyder and Mr. and Mrs. Jeff Lawson of Durbin spent Sunday with relatives in Alexander.

Miss Margaret Reiff, who has been ill of influenza for the past two weeks at her home here, has returned to her teaching duties near Jacksonville.

Mrs. F. J. Kaiser and son Carl were recent visitors in Springfield.

Mrs. William Hermes of near Alexander has been ill of influenza since last Thursday and is showing a satisfactory improvement in condition.

Chestnut hard coal now on hand. Geo. S. Rogerson.

## GOES TO CHICAGO

William E. Day left Monday night for Chicago where he will enter the employ of the Kimball piano company as salesman. Mr. Day has been a valued employee of the J. Bart Johnson Music Co. in this city for the past several years. His family will remain in Jacksonville for the present.

## Only One Corn Peeler, "Gets-It"

Stop Corn Pains; See Corn Peel Off. It is just when a corn hurts that you want to feel surest about getting rid of it. Why take chances of keeping the corn and having the pain grow worse? You'll use "Gets-It."

The Only Peel-Off Way Is "Gets-It."

"It" anyhow, sooner or later; might as well use it sooner. Then you are absolutely sure that the corn will loosen from your foot so that you can peel the whole thing off painlessly with your fingers, in one complete piece—just like peeling a banana. It takes a second or two to apply "Gets-It." There's no fussing or putting. Corn-pains will vanish—that'll keep you sweet while the "Gets-It" does the rest. Nothing new for corns has been discovered since "Gets-It" was born. Follow the judgment of the millions; use "Gets-It" and be sure to get corn and pain free! You'll say it's magic. "Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. Sold by E. Lawrence & Co., Chicago, Ill. Sold in Jacksonville and recommended as the world's best corn remedy by Armstrong's Drug Stores and Luly-Davis Drug Co.

## WITH THE SICK

Mrs. John Cain who has been indisposed for some time and a patient at Our Savior's hospital, has recovered sufficiently to return to her home near Big Sandy. Sunday night Miss Christie J. Armstrong residing at 1144 South Main street was taken seriously ill. Medical aid was summoned and all possible done for her. Her advanced age makes recovery difficult.

S. A. Fairbank has received from his daughter, Dr. Ruth Fairbank, physician at Johns Hopkins Hospital at Baltimore, that she has been obliged to succumb to an attack of the flu. It is not very severe but will keep her laid up for a time.

Mrs. Babelle R. Naumann of Virginia returned to her home Sunday after undergoing a serious operation at Passavant hospital three weeks ago.

LaMar Gutekunst of 996 North Church street is bedfast as a result of a fall on the sidewalk, injuring his knee so that it became necessary to have it lanced. The injury seemed to affect his whole system and LaMar has been a very sick boy since last Friday, but was somewhat improved at the time of this writing.

The many friends of Mrs. Orville Adkinson will be glad to know that she is now steadily improving after the recent attack of influenza and pneumonia, and is now able to leave her room for a part of each day.

Wilbert J. Hauck of the Ayers Bank force has been confined to his room at the Y. M. C. A. on account of a severe attack of tonsillitis and expects to be out in a few days.

James McBride of the Jacksonville Transfer company, who has been confined to his home by illness for some time, was about the streets Monday afternoon. It will be several days before he is again able to attend regularly to his duties.

Mrs. D. H. Hall, whose home is on North Main street, just outside the city limits, is a patient at Passavant hospital. Her condition is not serious but it was thought best to remove her from her home where the hospital as she has been ill for several days.

Walter Ayers was taken suddenly ill Sunday and is now confined to his home on West State street. It will be a number of days before Mr. Ayers will be able to attend to business at his office.

## DEATHS

## McPhail.

John Russel McPhail died at the family home on the Sandusky road at 5 o'clock Monday afternoon. Death resulted from an attack of pneumonia after a brief illness.

Deceased was the son of E. E. and Mary Parker McPhail and was born in this city June 19, 1899. Besides his parents he is survived by four sisters, Mrs. Harrison Corbridge, Park Falls, Wis.; Mrs. C. H. Ames, Mrs. L. R. Hankins and Miss Martha Endl McPhail all of this city.

He was a member of Central Christian church and prominent in the activities of the young people of the church. He was highly popular in a large circle of friends by whom news of his death will be received with regret.

Funeral arrangements will not be made until word is received from Mrs. Harrison Corbridge, who is with her husband at Park Falls, Wis.

## Baker.

Lieut. W. L. Baker, 39th Co. Depot Brigade, who was stationed at Camp McClellan, Alabama, died on Jan. 31, 1919, after the second operation for appendicitis. His mother, Rev. Anna Shively, was called there but did not arrive until after his death. His request was to be sent back to his mother and she, accompanied by his wife and Lieut. Shmaley, a government escort, brought the body to Springfield, Mo., where he was laid to rest in the Greenlawn cemetery, with all the honors of an American soldier. After enlisting he was made first sergeant and was promoted until at the time of his death he was commissioned first lieutenant and was expecting to take examination for captain. He was loved and honored by all who knew him. The flags were hung at half mast and hearts were saddened to see his young life go out so suddenly when he was just ready to take up his life work.

## SAMUEL WILCOX BUYS STUDEBAKER CAR

The above heading has appeared several times, because Mr. Wilcox whose home is near Alexander, is now riding in his third Studebaker and thinks that the market affords nothing better. He recently purchased from Charles M. Strawn, distributor, a 19 series Light Six, Club Studebaker Roadster, and it certainly is one that combines the qualities of luxury and service.

Public Sale—20 head of horses and mules, 4 cows, 7 heifers, 4 calves, 70 head of sheep, 20 head brood sows and farm implements Thursday, February 20th, 1919 at my farm 4 miles south of the city. Sam Butler.

## LETTER FROM FRANCE SHOWS APPRECIATION

**War Orphan In Childish Sentences**  
Voices. Thanks to American benefactors—Picture of Father Killed on Field of Battle Came With Missive.

Some time ago Mrs. W. F. Widmayer and daughters, Misses Hazel and Ida Widmayer, became interested in the campaign for the aiding of French war orphans and became responsible for the care of one of these war children for the period of a year. A number of those who have contributed to this good cause have found special pleasure in the fact that they know the identity of the particular child who is receiving their care and occasionally letters and cards come from the little ones across the sea. Recently Mrs. Widmayer and her daughters received a letter from their "little orphan," Antoinette Ferzette. It was written in French but has been translated as given below.

Along with the letter penned in childish hand, came a postcard picture of Antoinette and her sister. There was a picture also of her mother and still another of the father who made the supreme sacrifice in 1916. There is something particularly appealing about this work and those who contribute to it have great satisfaction in knowing that the 10 cents a day they give is sufficient to keep a child, a fatherless French child. The campaign furnishes an opportunity for real philanthropic work, a chance to help America pay its war debt to France. The interesting and childish letter is as follows:

Marseilles, January 20, 1919. Dear Godmother:

It is with great pleasure that I received your letter in which you imparted to me that you wished very much to interest yourself in me. Thanks very much of the good sentiments for me and for all your good wishes, and we wish that it will be the same for all your family, of which we have received the photographs that have made for us much pleasure.

In the next letter we shall have written to you by a friend of the family who knows English, but who is not at Marseilles at this moment and who will inform you of how you should consider me.

I live with my mother and my sister 12 years old, of whom I enclose for you the photographs at the same time of my father and mine.

The pronunciation of my name is this: Fer-zet and is spelled Ferzette. As to the address it is exact. Bouches-du-Rhone is not the name of a city, is of a department that is composed of many cities of which Marseilles is the principle one.

Dear Godmother we have not yet received your package but as soon as we have received it we shall write you and as to the name of the doll we have decided to call Victory in remembrance of all of you, dear Godmother and in gratitude to our good friends the Americans. Receive from your little Antoinette many big caresses for yourself.

Antoinette Ferzette. 5 Rue de la Cascade Marseilles (Bouches-du-Rhone) France.

Public sale at the Knoepel farm, 3 1/2 miles north-east of Bluffs and 1 1/2 miles north of Neeleyville, on Friday, Feb. 14, commencing at 10 o'clock a. m. Five head of good horses, 28 head of cattle, including 8 milk cows and a lot of good farm implements. Lunch served at noon. William Schone.

## BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place. "Most headaches," "dullness" and that "fuzzy feeling" come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 40c and 25c a box. All druggists.

## BACKACHE IS DISCOURAGING

But Not So Bad If You Know How to Reach the Cause

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys. Jacksonville people recommend Doan's Kidney Pills. Read this case: Mrs. M. J. Scovill, 902 Hackett Ave., Jacksonville, says: "Two years ago I was down with my back and it was a job for me to get through with my housework. I also had blinding, dizzy spells and my kidneys acted irregularly. I heard Doan's Kidney Pills were good, so I tried them. They were not long in curing me. Since then I have had no kidney trouble." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Scovill had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

MISS WADSWORTH GOES TO SOUTHERN CAMP

Miss Mary Wadsworth left yesterday morning for Camp Beauregard, Alexandria, Louisiana, accompanied by Mrs. E. E. Crabtree as far as St. Louis. Miss Wadsworth expected to arrive at the camp Wednesday morning, when she will fill a position as business and information hostess at hostess house. A number of months since Miss Wadsworth offered her services for this kind of war work and the call to the position at the southern camp came in consequence.

**DON'T SUFFER WITH NEURALGIA**  
Use Soothing Musterole

When those sharp pains go shooting through your head, when your skull seems as if it would split, just rub a little Musterole on your temples and neck. It draws out the inflammation, soothes away the pain, usually giving quick relief. Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister. Many doctors and nurses frankly recommend Musterole for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet—colds of the chest (it often prevents pneumonia). It is always dependable. 30c and 60c jars—hospital size \$2.50.

W. L. ALEXANDER SELLS FARM NEAR BLUFFS

Tract of 419 Acres Becomes Property of Morris Jokisch of Cass County.

W. L. Alexander yesterday sold thru J. A. Weeks of Arenzville his farm of 419 acres located south of Bluffs. This farm has been

purchased by Morris Jokisch of Cass county for a consideration of \$88,500.

The land is known as the Andy Meyers farm and was purchased by Mr. Alexander about five years ago. It is well located and productive. As Mr. Alexander last year disposed of a large farm near Corydon, Iowa, he is almost out of the farming business.

DR. DAY DISCUSSED PEACE TERMS SUNDAY

St. Louis Pastor Appears at Congressional Forum—Says Germany Must Be Held in Check Until Devastated Countries Assume Normal Conditions.

The largest audience of the season greeted Dr. John W. Day of St. Louis a fine speaker and a man imbued with his subject. He held his audience closely for more than an hour and all would have gladly heard him longer.

The address was preceded by singing led by a superb choir of young people with Mrs. Bullard at the organ and following that was a violin recital by little Miss Audrey Hall, a pupil of Prof. W. E. Krich. The young musician is eleven years old and surely is a prodigy. Her playing was without note and seemed to be faultless. She managed her difficult instrument with absolute ease and precision and held the large audience spellbound and though it was Sunday and in a church her delighted hearers couldn't refrain

AN ATTACK OF "FLU" OFTEN LEAVES KIDNEYS IN WEAKENED CONDITION

Doctors in all parts of the country have been kept busy with the epidemic of influenza which has visited so many homes.

The symptoms of this disease are very distressing and leave the system in a run down condition. Almost every victim complains of lame back and urinary troubles which should not be neglected, as these danger signals often lead to dangerous kidney troubles. Druggists report a large sale on Dr. Kilmer's Swamp-Root, which so many people say soon heals and strengthens the kidneys after an attack of grip. Swamp-Root, being an herbal compound, has a gentle healing effect on the kidneys, which is almost immediately noticed in most cases by those who try it. Dr. Kilmer & Co., Binghamton, N. Y., offer to send a sample size bottle of Swamp-Root, on receipt of ten cents, to every sufferer who requests it. A trial will convince any one who may be in need of it. Regular medium and large size bottles, for sale at all druggists. Be sure to mention the Jacksonville Daily Journal.—Adv.

from warm applause. Her numbers were:

Thais Meditation.....Massenet

Dr. Day remarked to a friend that the church of the Messiah of which he is the pastor had had but a little over two pastors in 85 years and he was one of the little overs.

Rev. W. E. Collins read the account of the last days of King David for a scriptural lesson and from that Dr. Day drew an analogy between the second king of the Jewish nation and the late Theodore Roosevelt. The eloquent speaker paid a glowing tribute to the life and character of the illustrious ex-president and setting forth his many wonderful qualities of character in an eloquent manner and then passed on to the main theme of the occasion.

Peace Terms.  
Now after four years we know the counsels of Roosevelt were wise and his earnest desire was for a peace which will be sure and solid. Now when the peace congress is dealing with such momentous question criticism and fault-finding are unwise.

The very wisest of counsels will be needed to settle the delicate questions at issue. Bohemia will assert her claims, the Czechs-Slovaks theirs and so on all along the line and friction will be unavoidable. There are 124 millions of the Slavic race divided among so many smaller countries and to adjust affairs amicably and justly between all will be a difficult undertaking.

For safety a country should have a range of mountains for a border when practicable. Had Italy possessed that her losses in the war would have been far less and for that she is now endeavoring. Then people need room in which to expand; access to the sea and many other matters enter in to the discussion. Poland is a level country which is one reason why she was so easily attacked and overcome the Russia promised her autonomy, language and other privileges and then as usual treated her promises as scraps of paper.

Montenegro is mountainous and her people are yet unsubdued and Andrey Sheridan has written an admirable work on this subject. Junkers in Europe by Col. Sir Thomas Holdridge are books I would commend.

The burning question now is how to deal with Germany that the lands she has devastated may have an opportunity to recover. It is her crafty scheme to have an armistice before the war reached her own territory; the foment of civil discord; profess hunger and want and play for the very best terms she can secure and then while the industries of France and Belgium are being resurrected from the chaos into which her cruel warfare plunged them she will reach out for the markets of the world.

Surely the men in charge of the peace congress will have a care regarding this for already Germany is showing her impudent and if not properly curbed she will place herself in position to do any amount of mischief in the future. She must be held back in absolute check until Belgium and France especially and all the lands she has treated so shamefully have an opportunity to get into normal condition.

CONFERENCES BEGIN SUNDAY AT SPRINGFIELD.

The series of twelve conferences announced by District Evangelist O. C. Bolman of this city began yesterday in Springfield.

After swinging around the circle visiting Virden, Atoka, Mackinaw, Lewistown, Macomb, Dallas City, Quincy, and Versailles the team will arrive in Jacksonville Tuesday, Feb. 18.

Members of the churches and workers from Morgan, Pike, Scott and Greene counties will attend the conference here.

Three sessions will be held, morning, afternoon and evening.

The C. W. B. M. of the Central Christian church will serve the meals. Following the supper hour a young people's rally will be held and the evening session will open with a community sing.

The closing conferences will be held at Virginia the 19th and Petersburg the 20th.

Garry L. Cook the chief speaker in these conventions is a specialist in Bible school work. Mr. Bolman is a field worker for the Christian church. Recently he has assisted several churches in an every member canvass campaign. At Havana the current expense subscription was doubled, at Mason City in addition to the financial benefit five new members were added to the church.

Program Committee Meets.  
The program committee met here Saturday and arranged the program for the annual convention of the West Central District of the Christian church.

Rev. R. B. Fouts of Virden, district vice president, Rev. C. E. French, of Virginia, O. C. Bolman and Mrs. Stella A. Peck of this city were the members of the committee present.

The convention will be held May 20-21 but the place has not yet been selected. The committee met at the Dunlap hotel.

FIRST PETITION FOR CITY OFFICE FILED

Dr. Robert H. Beverly, well known colored physician files petition as candidate for Alderman in the Fourth Ward.

Dr. Robert H. Beverly, well known colored physician of the city yesterday filed his petition with City Clerk Pyatt for nomination for alderman on the republican ticket from the Fourth Ward.

The petition is the first one filed for nomination at the coming primary. It is probable, however, that a number will be filed during the week as there are several now in circulation and others are talked of.

Dr. Beverly has been a resident of the city for a number of years.

GIRLS! HAVE WAVY, THICK, GLOSSY HAIR FREE FROM DANDRUFF

Save Your Hair! Double Its Beauty in a Few Moments—Try This.

If you care for heavy hair, that glistens with beauty and is radiant with life, has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die, then the hair falls out fast.

If your hair has been neglected and is thin, dry, scraggy or too oily, get a small bottle of Knowlton's Danderine at any drug store or toilet counter for a few cents; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—not itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now?—Adv.

known but has built up a lucrative practice.

He came here comparatively unknown.

The Union of the Coupon and the Water instantly makes the Bluing

DROP the coupon in the tub. The instant it touches the water the blue dissolves from the tape and distributes itself through the water. And it will be the right amount of blue. That feature has been figured out in our laboratory by chemists and artists. You don't have to use your own judgment. And you can't get too much or too little blue no matter how hard you might try.

THIS tape is a practical, scientific affair. It is designed to do away with guess work—damage to the clothes—streaky and spotted clothes—too much or too little blue.

It isn't a liquid in a bottle, hence it can't spill. It isn't a powder, hence it can't fly and clog up in lumps. It is refined to a great degree and it can't leave any sediment. It saves waste. It saves the clothes and makes your bluing process absolutely sure and accurate. It won't soil your fingers or your clothes or anything it comes in contact with.

THERE is no bluing till the coupon strikes the water, and then there is the richest shade of blue you could possible ask.

Tape Bluing Means the End of All Bluing Troubles

## URANIA LODGE IN ANNUAL ROLL CALL

Odd Fellows Organization Held 19th Annual Roll Call Monday Evening—Program of Excellence Given—Poem from Carl H. Weber.

Urania Lodge No. 243 I. O. O. F. celebrated its 19th annual roll call in Odd Fellows hall West State street Monday evening. There was a large attendance of members and a program of unusual excellence was carried out. This year the lodge eliminated any remarks from members aside from responding to their names when called and a brief address on Odd Fellowship was given by the Rev. J. O. Kirkpatrick. The speaker was at his best and his remarks in which he paid a high tribute to the principles of Odd Fellowship were heard with close attention.

Recognition was taken of the death of J. A. Obermeyer who, tho a member of Illini No. 4, was a frequent visitor at Urania meetings and a member of Ridgeley Encampment.

J. K. Long was chairman of the evening and introduced the speaker and announced the various musical numbers. These were of especially high class and greatly enjoyed.

Miss Clara Catherine Moore of the faculty of the College of Music of Illinois Woman's College gave two violin numbers. She played "Spanish Dance No. VIII," and "Les Adieux," both by Sarasate, with Mr. H. V. Stearns as accompanist. Miss Moore's numbers were received enthusiastically.

Miss Gladys Andre with Willard Wesner as accompanist sang "Japanese Love Song," and upon insistent calls gave an encore "Tis Spring."

Miss Bernice Wood gave two pleasing readings, the first entitled, "On the Street Car," and as an encore she gave "When the Folks is Gone."

Twenty-five letters were read from absent members, one from Richard Standley, who is 91 years of age. Two of the oldest members in point of Odd Fellowship, James Hopper and J. T. Osborne were both present at the roll call.

The committees in charge of the affair follow:

General arrangements—J. K. Long, E. M. Vasconcellos, A. L. Stewart.

Entertainment—James Guyette, C. E. Williams, John Schofield.

Refreshments—Ben Owen, Joshua Vasconcellos.

The following poem was read from Carl H. Weber in overseas duty in France.

Enlist at Your Trade (Join the Ordinance)

A sign there was some months ago.

In red and white and blue;

The message ran, "For Uncle Sam, Your country calls to you."

The U. S. A. needs you in France, A chance for you is made;

The Ordinance Corps needs thousands more

Enlist now at your trade."

I read the sign, believed the word,

Gave up my job and pay;

Try 'em hot from the oven—*Bobby*.

Something new for a cold morning!

My work I'd do, 'till the war was through,

With the good old U. S. A.

The ledger that I used to run,

While working in the bank,

I left behind when I resigned,

And my last beer I drank.

But since I entered Army life,

'Tis sad to say but true,

Of things I've done, there isn't one

That I signed up to do.

I've loaded cars with T. N. T.

On guard I've done my trick,

And in the mud, a ditch I've dug.

They handed me a pick.

I've made up beds, and picked up butts,

I've drilled from morn till night;

A boulevard I've pounded hard,

I've stacked up dynamite.

I've polished shoes and shoveled coal

'Til every bone was sore;

I've cleaned up salvage, rusty rifles,

I've scrubbed the mess-hall floor.

I've waited on the officers,

I've been a kitchen cop,

I've greased up cans with blistered hands,

The stairs I've had to mop.

And countless windows I have cleaned.

Washed clothes the whole day through.

I've helped to bake and cut the cake,

And peeled potatoes too.

I've done ten thousand things, or more,

And wore a smile all times;

But at a book, ne'er got a look,

As called for by those signs.

And if some day for volunteers

Another call is made,

I'll grab my pen, sign up again,

## COUNCIL PREPARES FOR THE ELECTION

Primary Will Be Held March 11th Annual Report of Water Department Gives Interesting Figures.

At the meeting of the city council session Monday morning the primary election ordinance was given a second reading and adopted. The ordinance which is given in official publication elsewhere in the paper, fixes the election for Tuesday, March 11, and names the polling places and the election officials. A resolution was adopted providing for a brick pavement on East State street from Johnson street extending east to the city limits. The intention is to have the street paved with brick on concrete. The engineer's estimate is \$15,299.

**Favors Pavement.** An unusual part of the proceedings was the fact that a letter was read from R. R. Hieronimus of Springfield, who owns a frontage of 144 feet located somewhere between Johnson street and the limits, in which the writer acknowledges receipt of notice of intention to pave and said he was heartily in favor of this program.

A resolution was read by R. L. Pyatt, clerk, providing for the destruction of the ballots cast in the last city election. The annual report of W. H. Cobb, water superintendent, was presented and approved. Total collections for the year were shown to be \$33,980.66. The report which contains a great deal of interesting information, is printed in full below.

Mr. Vasconcellos reported that the newest well at the north side station had caved in and is now practically out of use. Mr. White said it would be fortunate for the city if all the wells would cave in, as there was such an enormous expense for the operation of these wells. He suggested, too, that no one outside of those intimately connected with city affairs had any real idea of the great cost that the wells occasion.

**Trouble With Sewer.**

Mr. White reported that the roadmaster of the C. B. & Q. has a force of men here ready to repair the sewer near East College street which runs under the C. B. & Q. roadbed. There is a concrete sewer which altho 26 inches in diameter, is stopped up. It is probable that one of the tile has either broken or that a movement of the road-bed has caused a tile slippage. At any rate, a difficult task confronts the workers in getting this sewer cleaned out.

A motion was passed by unanimous vote calling upon the representatives and senator from this district in the general assembly to vote in favor of the law which proposes home rule for cities in the matter of public utilities.

M. R. Checkfield, who has charge of the work of removing the steel pipe formerly the property of the Jacksonville Water Co., was before the council to secure permission for the removal of the pipe along City Place, west of the reservoir. This matter was referred to Mr. White, Mr. Vasconcellos and Public Engineer Henderson, with power to act.

The tax levy ordinance for the year 1919 was given a first reading. It provides in addition to the taxes for general corporate purposes, \$10,570 for public library; \$4,200 for refunding bonds issued July 1, 1939, \$5,000 for sinking fund for the redemption of refunding bonds of the issue of 1899, \$10,570 for the garbage disposal system, \$3,750 for the demotion of water works improvement bonds, \$3,562.50 for the paying of interest on water works improvement bonds, \$19,750 park system, \$13,000 for paying the city's portion of special taxes. The city clerk is to prepare and file with the county clerk before Sept. 1, 1919, a certified copy of the ordinance.

**Water Department Report.** The annual report of W. H. Cobb, superintendent, of the water department is as follows: Jacksonville, Ill., Feb. 6, 1919. To the Honorable Mayor and Commissioners of the City of Jacksonville, Illinois.

Gentlemen: Your undersigned water superintendent of the City of Jacksonville, Illinois begs to submit his

annual report for the year 1918, which is as follows to-wit: Total amount collected for year 1918 \$35,072.51. Total amount collected for water exclusively \$33,980.66. Water Rent Collected \$1,091.85.

Amount collected for water exclusively, 1918, ..... \$33,980.66

Showing an increase in 1918 ..... \$ 2,107.93

This shows an increase in the revenue for water in 1918, over 1917 of \$107.93 and a decrease of \$2,839.06 compared with 1916.

It was the banner year for water receipts, in the history of the water department.

There was an abundance of water during the entire year of 1918, and in addition to this \$1,327.04 was collected from the J. V. R. R. and Light Co. for water for which this department discovered was being used through an unmetered service.

After a thorough investigation the amount above quoted was agreed upon by Coms. Vasconcellos and Supt. Miser of the J. V. R. R. and Light Co. for water used from this source for several years past. The service was then metered and is now on record in this office.

During the months of January and February Morgan Lake was absolutely dry. The north end wells furnishing about 40 per cent of water needed, the reservoir on College Hill soon became dry and remained so for several weeks during that severe winter weather.

It became necessary to deprive our city schools of city water, shut of the railroads laundries, ice plants, and restrict the hotels, and all water consumers to the greatest extent.

All our efforts being to supply the state institutions with enough water for their absolute needs.

We had all but failed when on the 7th of March kind providence thawed the ice in the creek and water became plentiful until again in August the lake reached the low water mark, and the people were again warned to be careful in the use of city water.

The loss and revenue through the shortage of water is not to be compared with the danger to health and property with the reservoir dry for nearly two months, the residence districts on the West and South Sides of the city were without fire protection during very severe winter weather.

And as a result of a lack of water a great deal of labor and expense was incurred by the freezing of the mains. Mound Ave., Grove St., South Diamond St., and South West St., were frozen, and when thawed out in the spring burst, and had to be taken up and relaid with new pipe.

With the limited number of men in the department it required several weeks to make these repairs, and get water for fire protection and private users on these streets.

We hope and trust this state of affairs will never again occur in our city.

Owing to the high price of material and supplies we have done only that which were absolutely necessary to keep the plant moving.

On March 9th the high wind wrecked the west end of the building at the South Side pumping station which repaired.

We installed one concrete valve box, and replaced a broken fire hydrant with a new Matthews hydrant, and lowered 200 feet 6 inch water main on Woodland Place to conform with the regrading of the streets.

W. H. Cobb, Superintendent.

**FATHER AND SON BANQUET**

Attention is again called to the Fathers and Sons banquet to be held at the Y. M. C. A. Wednesday evening at 8:30 o'clock. One of the principal addresses will be made by Lieut. A. F. Ewert and those who have heard him tell something of his experience overseas know that an address of great worth will be heard.

## SPECIAL SERVICE TO HONOR ROOSEVELT

Union Meeting Held at Westminster—Ex-President Termed Gift of God to Nation.

The memorial service for Former President Roosevelt held at Westminster church Sunday night brought together a large assemblage. Westminster, State Street and Northminster churches united for the service, which had been planned by Dr. E. B. Landis pastor of Westminster. Dr. Landis presided and other ministers taking part were: Lieut. W. H. Marbach, Lieut. Arthur Ewert, Rev. J. F. Langton and Rev. J. H. Morphis. There was special interest in the musical program, which included a solo by Miss Ainslie Moore. It was a selection especially suited to Miss Moore's voice and was given with fine feeling. Miss Clara C. Moore played a violin obligato with customary musicianly excellence.

**U. S. Soldiers' Humor.**

Lieut. Ewert spoke briefly but with eloquence. He said, among other things, "It would not be timely for me to speak at length. You have all read much of the war and there was much that I have seen and heard that I seek to forget. One cannot be ever-seas without being impressed with the fact that this is a young man's war. The French deserve much credit for their long self-sacrificing struggle, but their soldiers are old by comparison with our own. This war was won by young men, those of high school and early college age. They took into the conflict that fine enthusiasm and ardor which made for victory and without that fire the victory would not have come. One of the qualities which made for that victory was the humor of our American soldiers—their ability to make the best of every situation. It was that humor that kept them going in the face of vast discomfort and great suffering. It was the enthusiasm, the daring and dauntless spirit of these soldiers which experienced soon made into men, that gave the victory for democracy and liberty."

**The Gift of God.**

Lieut. W. H. Marbach, new pastor of State Street church, was introduced to make the principal address. He said in part: "Theodore, literally interpreted, means 'the gift of God,' and so I think there was something symbolic in the name of Theodore Roosevelt. This great American could truly say with Paul: 'I have fought the good fight, I have finished my course, I have kept the faith.' Every step of the way Roosevelt's career proves that he could fight for right and righteousness. He finished his course with honor and kept the faith always."

"It is particularly as the many-sided man that I would refer to the ex-resident tonight. He might be compared to David in his strength and possibly because of certain weakness, that tended to make him human. He was a world man. When he spoke the world listened. First he came into prominence as a congressman and then as police commissioner in New York. When he went to Washington the world was interested, as it was when he went to the African jungles. The eyes of nations followed him as he went to Rome and what he said rang round the world. This was a versatile man and he could do more things and do them well than is often given to man."

"We could term him a man of contrast, for he had an intense will that would brook no obstacles. In his early days he struggled against asthma and other ailments with the determination that lack of health should not hinder his progress. He had defects of vision but with that indomitable will he became a sharpshooter. But still greater strength was shown in his ability to overcome wealth. He was the son of a millionaire but he recognized that wealth is only worthy when it is well used."

**Always an American.** "This man was an American, first, last and all the time, and he believed that righteousness exalted a nation. To him the Bible was the manual of tactics for men and for nations. He was indeed the gift of God to this generation."

After the benediction those in the audience were invited to meet Lieut. Marbach and were introduced by Rev. Mr. Langton.

**PARTY AT JOY PRAIRIE.**

A merry party of youngsters assembled near the home of Mr. and Mrs. Walter Nergenhah on Joy Prairie on Wednesday evening, and then proceeded quietly on foot to the residence to charivari a newly married couple (Arthur Nergenhah and wife) who had come from Beardstown on a visit.

John Brown a brother of the bride, "opened the services" by firing an automatic shot gun a number of times, after which the full chorus of old tinware joined in, ably seconded by the loud yells of the merry-makers. Arthur had the cigars all ready which he handed out with a cheerful smile. Mr. and Mrs. Nergenhah are well known and respected by a wide circle of friends. The company went in and had a good social time for awhile before returning home, leaving best wishes to Arthur and his bride.

**A GOOD POSITION.**

Fred Cain has secured a fine position with a lubricating oil company of Kansas City and has left for that place to confer with the home office. His headquarters will be at Springfield so that he will occasionally be at home. His friends will be glad to know of his good preferment.
